

and limitation matrix: what each claim's evidence actually is

MATHEMATICAL_CLAIM_MATRIX.csv colored by evidence class. Gray cells

published by a computer algebra system (e.g. bootstrap calibration, deployment validity) and are never presented as proven.

d; see per-claim rows in the claim matrix

Wolfram 15.0.0 | WorkingPrecision 50 | cross-language tol 1e-9 | 73 claims

proof  Exact verification

property only  Documented gap

able by CAS  Not applicable
